

# NYC Math Sciences Alliance

A conference to launch a regional alliance in the NYC Metropolitan area in partnership with The National Alliance for Doctoral Studies in the Mathematical Sciences

## May 13, 2017

### The City College of New York:

North Academic Center, Faculty Dining Room  
160 Convent Avenue  
New York, NY

The Math Alliance is a national community of faculty and students committed to increasing the number of doctoral degrees in the mathematical sciences awarded to students from underrepresented groups. Talks and working groups at the conference will discuss mentoring of students and the goals, organization and future plans for the NYC Math Sciences Alliance. Please join us to learn more about what being a Math Alliance mentor entails and how it can benefit your department and students.
